You may access your Online Accounts 24 hours a day, seven (7) days a week. However, availability of the Services may be suspended for brief periods of time for purposes of maintenance, updating, and revising the software. Multiple incorrect login attempts will cause the account to be locked out.

For purposes of transactions, Live Life FCU business days are Monday through Friday, excluding federal holidays and weekends. Online Banking transactions are processed in real time.

ACCOUNT TRANSACTIONS WITH ONLINE BANKING.

Account Access. Once you have selected your primary account you may select additional accounts including other checking, savings, certificates of deposit or loan accounts.

Transfer of Funds. In addition to viewing account information, you may use Online Banking to conduct the transfer of funds. You may make one-time transfers or schedule future or recurring transfers such as transfers to make Live Life FCU loan payments not held by Commercial Alliance. You may transfer funds among your checking accounts, savings accounts, and money market accounts. Because regulations require the Credit Union to limit preauthorized transfers for all savings accounts (including Online Banking transfers), the following limitations apply:

You can make no more than six (6) transfers per statement period by preauthorized or automatic transfer or by telephone or Online Banking.

Additional Services. New services may be introduced for Online Banking from time to time. Live Life FCU will notify you of the existence of these new services. By using these services when they become available, you agree to be bound by the rules that will be made available to you concerning these services.

SCHEDULE OF FEES. Live Life FCU offers the benefits and convenience of the Online Banking Service to you. Please refer to our separate Fee Schedule for additional information about charges on your account(s).

STATEMENTS. You will continue to receive your regular account statement either monthly or quarterly, depending on the type of account.

USE OF YOUR SECURITY PASSWORD. You are responsible for keeping your password and Online Account information confidential. In order to protect yourself against fraud, you shall adhere to the following guidelines:

- Do not give out your account information, Password, User ID, or Token;
- Do not allow multiple users access to your phone via Touch ID or your Token;
- Do not leave your PC or Token unattended while you are in Live Life FCU's Online Banking Site;
- Never leave your account information or Token within range of others; and
- Do not send privileged account information (account number, Password, etc.) in any public or general e-mail system.

If you believe your User ID, Password, or Token have been compromised, or if you suspect any fraudulent activity on your account, call Live Life FCU immediately at 586-268-3720. Telephoning Live Life FCU is the best way of minimizing your losses and liability.

ELECTRONIC MAIL (E-MAIL). If you send the Credit Union an e-mail message, Live Life FCU will be deemed to have received it on the following business day. NOTE: E-mail transmissions outside of the Online Banking site are not secure. We advise you not to send us or ask for confidential information such as account numbers, Password, account information, etc. via any general or public e-mail system. If you wish to contact us electronically, please use the secure e-mail link provided in our Online Banking site.

BILL PAY SERVICE.

Description of Service. The Bill Pay Service permits you to use your internet-enabled device to direct payments from your designated Online Account to third parties you wish to pay. Your Online Account must be a checking account. Through the Bill Pay Service, you can pay bills from your Online Account to businesses or individuals.

All payments you make will be deducted from the checking account that you designate as your Online Account for the Bill Pay Service. Any payments you wish to make through the Bill Pay Service must be payable to a payee located in the United States. We reserve the right to restrict types of payees

to whom payments may be made using the Bill Pay Service from time to time. You should not use the Bill Pay Service to make payments to settle securities purchases, payments to interest bearing accounts, tax payments, or court ordered payments. Payments for these payees will be your sole responsibility if delayed or improperly processed or credited.

Scheduling Payments. Funds must be available in your Online Account on the scheduled payment date. If a recurring scheduled payment falls on a weekend or holiday the funds must be available the next business day to that payment date. After funds are withdrawn from your Online Account to make a payment, we may make the payment either by transferring funds electronically to the payee or by mailing the payee a check.

You may choose to schedule one time payments or schedule payments to recur in the same amount at regular intervals. When you create a new payee in the Bill Pay Service, allow up to ten (10) business days for the payee to receive payments.

No Duty to Monitor Payments. Live Life FCU is only responsible for exercising ordinary care in processing and sending payments upon your authorization in accordance with this Agreement. We will not be liable in any way for damages you incur for any of the following reasons:

- Insufficient funds in your Online Account to make the payment on the processing date;
- Delays in mail delivery;
- Changes to the payee's address or account number;
- The failure of any payee to correctly account for or credit the payment in a timely manner, or
- Any other circumstances beyond the control of Live Life FCU .

If the session during which you schedule a payment or transfer ends by 4:00 p.m., the Credit Union will be considered to have received it on that day. Otherwise, it will be considered received on the following business day. For all entries made using the Bill Pay Services, the time recorded by the Online Banking Service will be considered the official time of the transaction.

If your Online Account does not have sufficient funds to make a payment as of the date the payment is debited to your account, your payment may be canceled and your account may be blocked. Live Life FCU will attempt to notify you by e-mail or U.S. Postal Mail, but Live Life FCU shall have no obligation or liability if it does not complete a payment because there are insufficient funds in your account to process a payment. In all cases, you are responsible for either contacting the Bill Pay Service at 586-268-3720 to either make alternate arrangements for the payment or reschedule the payment through the Bill Pay Service. Once the Bill Pay Service has been restored future scheduled payments will be made as long as funds are available.

Cancel or Change Payment Instructions. Payments can be changed or canceled any time prior to the cutoff time on the scheduled processing date. If you ask us to cancel a payment after it is issued and we agree to do so, we may charge you a stop payment fee (see Fee Schedule). For further information regarding stop payments please see the Terms and Conditions of Your Account.

Termination. When Bill Pay is terminated, any prescheduled bill payments made through Online Banking will also be terminated. Live Life FCU is not responsible for any fixed payment made before Live Life FCU has a reasonable opportunity to act on your termination notice. You remain obligated for any payments made by Live Life FCU on your behalf.

No Signature Required. When any payment or other Service generates items to be charged to your account, you agree that we may debit your Online Account without requiring your signature on the item, and without prior notice to you.

Linked Accounts. All Live Life FCU accounts enrolled in a Service will be linked by the Employer Identification Numbers of the business. The linked accounts will appear together without regard to the ownership of the accounts. For example, an Authorized User that accesses the Service will be able to view and access all linked accounts at a single time unless restricted.

Commercial Accounts.

Any Authorized User of your Online Account is authorized on such terms, conditions, and agreements as we may require to:

- enter into this Agreement, as amended from time to time;
- access each Online Account of yours in any manner and for any purpose available through the Service, whether now available or available at some time in the future; and
- use any Services, whether now available or available at some time in the future.

Telephone number to contact in the event of an unauthorized transfer. If you believe your User ID and password have been compromised (or your mobile device has been lost or stolen) call 586-268-3720. You should also call the number listed above if you believe a transfer has been made using the information from your check without your permission.

REMOTE DEPOSIT CAPTURE.

This Remote Deposit Capture Services Agreement contains the terms and conditions for the use of the remote deposit capture service Live Life FCU Credit Union (“Live Life FCU”, “Credit Union”, “us,” or “we”) may provide to you (“you” or “User”). Other agreements you have entered into with Live Life FCU are incorporated by reference and made part of this Agreement.

Remote Deposit Capture is designed to allow you to make deposits of checks (“original checks”) to your accounts by scanning the original checks and delivering the digital images and associated deposit information (“images”) to us or our processor with your mobile device or desktop scanner.

Limits. The amount of funds you can deposit using Remote Deposit Capture can be limited. Live Life FCU reserves the right to change limits on the dollar amount and/or number of items or deposits within the sole discretion of the Credit Union.

Eligible Items. You agree to scan and deposit only checks (i.e., drafts drawn on a credit union, savings and loan, or bank.) You agree that you will not use Remote Deposit

Capture to deposit:

- Checks payable to any person, third party or entity other than you (i.e., payable to another party and then endorsed to you).
- Checks that have not been signed and authorized by the drawer.
- Checks drawn on your own Live Life FCU account.
- Checks payable to Bearer (i.e., payable to Cash, Bearer or where the payee is left blank).
- Checks payable to you and another party who is not a joint owner on the account.
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.
- Checks previously converted to a substitute check.

- Checks that have been returned unpaid.
- Checks drawn on a financial institution located outside the United States.
- Checks not payable in United States currency.
- Checks dated more than 6 months prior to the date of deposit.
- Checks that have previously been submitted through this service or through a remote deposit capture service offered at any other financial institution.
- Checks or items that are drawn or otherwise issued by the U.S. Treasury Department, U.S. Postal Money Orders, or Savings Bonds.

Requirements. Each image must provide all information on the front and back of the original check at the time presented to you by the drawer of the check, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. If it is the case that the image quality does not meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association, the check may not be accepted. Any loss we or you incur from a delay or processing error resulting from a failure to meet these image standards will be your responsibility.

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include “FOR REMOTE DEPOSIT ONLY” and/or your signature. This information can be provided in writing or stamped on the back of the share draft or check. Any loss we incur as a result of an improper endorsement, or from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees, without an indication as to whether it is made out to both or to either, must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

Receipt of Deposit. All images processed for deposit through Remote Deposit Capture will be treated as “deposits” under your current Business Terms and Conditions of Your Account and the Specific Account Details. When we receive an image, we will confirm receipt via email to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a “substitute check” or clearing the item as an image.

We reserve the right, at our sole and absolute discretion and for reasonable cause, to reject any image for remote deposit into your account. We will notify you of rejected images.

We further reserve the right to chargeback to your account at any time any item that we subsequently determine was not an eligible item. You agree that the Credit Union is not liable for any loss, costs, or fees you may incur as a result of our chargeback of an ineligible item.

Funds Availability. Please see the Business Terms and Conditions of Your Account regarding your ability to withdraw funds.

Business Days. Our business days are Monday through Friday, except federal holidays.

Original Checks. After you receive confirmation that we have received an image, you must securely store

the original check for 45 days after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will deliver to us within 10 days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. *After destruction of an original check, the image will be the sole evidence of the original check.*

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits. Any credit to your account for checks deposited using Remote Deposit Capture is provisional. If original checks deposited through Remote Deposit Capture are dishonored, rejected, or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check, or a substitute check. You will reimburse us for all loss, cost, damage, or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item, or for any warranty claim related to such item, whether or not the rejection, return, adjustment, or warranty claim was timely made.
